

## HIMM 2021-22 Update Number One

This update is late in coming but better late than never! Our trip began with a hiccup! As some of you may be aware, we missed our flights for Ghana on the 28th and then rebooked for the 29th with arrival on the 30th. Even then, when we arrived in Accra, our bags did not arrive with us and so we had to arrange for a pickup the next day at the Airport 3 -4 hours away from our village, i.e., Friday. And yes, by the goodness of the Lord, we were able to get the bags that next day and proceeded with our plans with appropriate adjustments. Below, Joy and I before our flight took off from JFK at 11 pm on Wednesday, December 29<sup>th</sup> 2021.

On Saturday, January 1st, we had a feed the children activity which catered for over 400 children and for most of them, that was their only celebration of Christmas/New Year!

Meanwhile, on Sunday, we had such a spirited time and during the praise and worship segment, the lead Singer knelt down for over 30 minutes while leading the church in singing to the Lord as shown below! I thought that was unique in a Baptist Church!

Well thanks for all your prayers, there's much update ahead and we continue to experience the work of the Lord among His people. I will provide further updates as we conduct the activities. Stay blessed!
